

Jeanderson Candido

Rua Antonio Joaquim Pequeno, 525, Apto 101 – Campina Grande, PB 58429-105, Brazil
jeandersonbc@gmail.com, <http://jeandersonbc.github.io>

Education

- 08/09 – Federal University of Campina Grande – Campina Grande, PB, Brazil
Computer Science (Bach.)
Expected graduation in 2014
GPA: 7.51 (out of 10.00)
- 08/12 – 04/13 Walsh University – North Canton, Ohio, EUA
Visiting Student
CRA: 3.49 (out of 4.00)
Sponsor: Brazilian Scientific Mobility Program – CAPES/Brazil

Work Experience

- 08/13 – Software Productivity Group – Campina Grande, PB, Brazil
Research Assistant
Currently evaluating automatic refactoring tools for the C language with Alloy and Java.
Site link: <https://www.dsc.ufcg.edu.br/~spg>
Sponsor: Scientific Initiation grantee - CNPq/Brazil
- 05/13 – 08/13 University of Massachusetts – Amherst, MA, EUA
Research Assistant
Worked in a prototype to provide real-time assistance on Java programming with continuous evaluation of changes in source code using Java.
Site link: <https://github.com/Gustavo-Soares/csaferefactor>
Sponsor: Brazilian Scientific Mobility Program - CAPES/Brazil
- 08/11 – 06/12 Software Practices Laboratory – Campina Grande, PB, Brazil
Research Assistant
Developed a tool (SYMBOLRT) designed to automatically generate test cases for Real-Time systems. Tasks included the development of a modeling language using Java and JavaCC.
Site link: <https://sites.google.com/a/computacao.ufcg.edu.br/symbolrt/>
Sponsor: Scientific Initiation Grantee - CNPq/Brazil
- 03/10 – 06/10 Federal University of Campina Grande – Campina Grande, PB, Brazil
Teaching Assistant
Programming class (Python) for freshman students.
Site link: <http://www.computacao.ufcg.edu.br>

Technical Skills

Programming Languages:

Java	4 years
C/C++	2 years 6 months
Python	2 years
Haskell	6 months

Shell Scripting: Windows PowerShell (1,5 years), Bash (2 years)
SGBD: Oracle g11 Express (6 months)
Framework: Django (6 months), Android (8 months)
Others: HTML5/CSS3 (8 months), Git (2 years)

Honors and Awards

- 08/2013 Named to the Dean's List for the Spring 2013 semester at Walsh University.
- 09/2012 Best tool award to SYMBOLRT in the 3rd Brazilian Conference on Software: Theory and Practice (CBSOFT 12).
